NOTE FOR THE RECORD

SUBJECT: NIO/SP Comments on Draft MTH/SNIE 31-81

comments:

25X1

- Pick up Indian knowledge of Pak program in the KJs.
- India is certain to know of the latest developments and we should say more about how it is likely to react.
- At some point we need to address in more detail the question of PRC nuclear assistance and whether or not/why it makes sense.
